

# GEF-7 Global E-Mobility Programme

Charging and Grid Integration Working Group

Webinar – Policy Manual for Grid Integration of Electric Vehicles

Wednesday, 14 December 2022, 09H00 – 10H15 CET

International  
Energy Agency

iea

Wednesday 14 December (Central European Time)	
09h00 CET	<p><b>Welcome and opening remarks</b></p> <ul style="list-style-type: none"> <li>• <b>Jacques Warichet</b>, Power System Transformation Analyst and GEF E-Mobility Working Group 4 Coordinator, Renewable Integration and Secure Electricity Unit, IEA</li> </ul>
09h05 CET	<p><b>Launch of the “Policy Manual for Grid Integration of Electric Vehicles”</b></p> <p>Official launch of the policy makers’ manual on assessing techno-economic impact of charging strategies on the overall energy system, and incorporating charging infrastructure into long-term energy plans and renewable power integration.</p> <ul style="list-style-type: none"> <li>• <b>Luis Lopez</b>, Energy Analyst, Renewable Integration and Secure Electricity Unit, IEA</li> </ul>
09h30 CET	<p><b>In-depth discussion on charging infrastructure and grid integration</b></p> <p>The IEA will open up a hybrid discussion on the following:</p> <ul style="list-style-type: none"> <li>• Effective approaches to EV charging infrastructure roll out and grid integration</li> <li>• financial models for public and private funding</li> <li>• possible ways forward for reinvigorate international dialogue on tackling challenges related to charging infrastructure together</li> </ul> <p>The discussion group will be joined by members from the GEF E-mobility Working Group 4, the Electric Vehicles Initiative (EVI) members, and the Transport Project Partnership.</p>
10h15 CET	<p><b>End of webinar</b></p>

## **Personal Data Protection Notice for the Policy Manual for Grid Integration of Electric Vehicles webinar**

Please refer to the [Data Protection Notice regarding Visitors to the IEA and IEA Event Participants](#) available on the IEA's website for further information regarding the IEA's processing of your personal data for the Policy Manual for Grid Integration of Electric Vehicles webinar taking place on 14 December 2022 (the "event") and your rights in relation to your data.

The IEA also wishes to inform you that the event will be recorded. The recording will be used for internal purposes only. The IEA is unable to edit the recording during the live webcast or after the event in order to obscure any participant's image.

The recordings may be potentially re-used for informational purposes for up to 5 years. Additionally, the recording will be available for public review for up to 10 years. All such material will then be archived at the IEA for an indefinite period of time. Only limited IEA staff have access to such archived recordings and photographs.

As mentioned in the notice, we may also contact you about future events that might be of interest. If you do not wish to be contacted about future events please send an email to [gef.emobility.wg4@iea.org](mailto:gef.emobility.wg4@iea.org).

We may also share your personal information provided in the registration form with other GEF project participants in order to enable peer-to-peer knowledge sharing. Additionally, your personal information provided in the registration form can be used to prepare a list of participants that will be shared with other event participants. If you do not wish for your personal data to be used for the above purposes, please send an email to [gef.emobility.wg4@iea.org](mailto:gef.emobility.wg4@iea.org).
