**Personal Data Protection Notice for the event “Building a Unified National Power Market System in China”**

Please refer to the [Data Protection Notice regarding Visitors to the IEA and IEA Event Participants](#) available on the IEA’s website for further information regarding the IEA’s processing of your personal data for the event “Building a Unified National Power Market System in China” taking place on 25 April 2023 (the "event") and your rights in relation to your data.

The IEA also wishes to inform you that the event will be recorded and livestreamed. Photographs may also be taken to facilitate communications and publicity. The IEA is unable to edit the recording during the live webcast or after the event in order to obscure any participant’s image. All such material will be archived at the IEA for an indefinite period of time. Only limited IEA staff have access to such archived recordings and photographs.

As mentioned in the notice, we may also contact you about future events that might be of interest. If you do not wish to be contacted about future events please send an email to [camille.paillard@iea.org](mailto:camille.paillard@iea.org).
