Personal Data Protection Notice for the Total Cost of Ownership (TCO) Tool Launch

Please refer to the [Data Protection Notice regarding Visitors to the IEA and IEA Event Participants](#) available on the IEA's website for further information regarding the IEA's processing of your personal data for the Total Cost of Ownership (TCO) Tool Launch taking place on 13 December 2022 (the "event") and your rights in relation to your data.

The IEA also wishes to inform you that the event will be recorded. The recording will be used for internal purposes only. The IEA is unable to edit the recording during the live webcast or after the event in order to obscure any participant's image. The recordings may be potentially re-used for informational purposes for up to 5 years. Additionally, the recording will be available for public review for up to 10 years. All such material will then be archived at the IEA for an indefinite period of time. Only limited IEA staff have access to such archived recordings and photographs. As mentioned in the notice, we may also contact you about future events that might be of interest. If you do not wish to be contacted about future events please send an email to gef.emobility.wg1@iea.org.

As mentioned in the notice, we may also contact you about future events that might be of interest. If you do not wish to be contacted about future events please send an email to gef.emobility.wg1@iea.org.

We may also share your personal information provided in the registration form with other GEF project participants in order to enable peer-to-peer knowledge sharing. Additionally, your personal information provided in the registration form can be used to prepare a list of participants that will be shared with other event participants. If you do not wish for your personal data to be used for the above purposes, please send an email to gef.emobility.wg1@iea.org.
