Click on 'Add to cart'

To finalise your order; click on 'Check out'

Check the Compliance box:

Enter your billing and delivery information in 'Billing' and 'Delivery' sections

If you have a PO number for your order, you can enter it in the dedicated field (this can be also done at a later stage.)

We accept payment by credit card (online payment – immediate access) or by bank transfer (bank details provided on the invoice – access is activated as soon as your payment is confirmed.)

Payment by credit card (Visa, Mastercard, American Express)

Select 'Instant access' in the Payment section:

Click on 'Pay now':

Enter your credit card details.

The order is validated immediately and the licence is activated.

The final invoice is available in the order details ([Orders](#))

The licence details are visible in your account ([Licences](#).)

Payment by bank transfer

Select 'Deferred payment' in the Payment section:

Click on 'Place order':

The invoice (with our bank details) is sent to you by email. It is also available in the order details ([Orders](#).)

IMPORTANT:

- payment should be made to beneficiary 'OECD' (any other beneficiary will result in the rejection of your payment)
- make sure to mention the invoice reference on your payment for easier and faster identification
- any bank charges should be debited from your account and not deducted from the invoiced amount: we need to receive the full invoiced amount.

The order is validated and the licence activated as soon as your payment is confirmed by our Accounts Dept. (this generally takes 2-5 business days.)

Once your order is completed, you will receive a confirmation email with access instructions.

To register end-users on the licence, open the licence details in your IEA account ([Licences](#))

Click on 'View licence':
