Ministerial Dialogue on Clean Energy Transitions and Economic Resilience in the Middle East and North Africa

Thursday, 9 September 2021 (CEST)	
09h00 – 09h10	<p>Welcome remarks</p> <p>H.E Mohammed bin Hamad Al-Rumhi, Minister of Energy and Minerals, Oman Dr. Fatih Birol, Executive Director, International Energy Agency</p>
09h10 – 0915	<p>Keynote address</p> <p>H.E. Ali Allawi, Deputy Prime Minister and Minister of Finance, Iraq</p>
09h15-10h00	<p>Opportunities for clean energy technologies to decarbonise local energy supply</p> <p>This session will determine the opportunities in renewables and energy efficiency that could be available to all producers that would help decarbonise the local energy mix at the same time as creating some local value to the economy.</p> <ul style="list-style-type: none">• H.E Ihsan Abdul Jabbar, Minister of Oil, Iraq• H.E Ahmed Mohina, Undersecretary of Electricity and Renewable Energy, Egypt• The view from industry: H.R.H. Noura Turki Al-Saud, Founder, AEON Strategy• The view from industry: Mr. Steve Phimister, Managing Director, PDO <p><i>Moderated by H.E Salim Al-Aufi, Undersecretary of Energy, Oman</i></p>
10h00-10h50	<p>Ensuring competitiveness through low carbon export industries</p> <p>This session will explore the technologies and strategies available to prominent oil and gas producers in the future energy market. It will seek to address ways that producers can reduce carbon intensity of their current supply; size the potential for low/zero-carbon fuels; and explore ways for countries to promote local value chains to ensure that the energy transitions are promoting economic diversification.</p> <ul style="list-style-type: none">• H.E Sultan Ahmed Al-Jaber, Minister of State, United Arab Emirates• H.E Eiichiro Washio, State Minister for Foreign Affairs, Japan• H.E Nimr Al-Sabah, Undersecretary of Oil, Kuwait• Mr. Landon Derentz, Acting Deputy Assistant Secretary, Department of Energy, United States• The view from industry: Dr. Salim Huthaili, CEO, OQ <p><i>Moderated by Mary Warlick, Deputy Executive Director, IEA</i></p>

**10h50-
11h00**

Closing remarks and conclusions

- H.E. Mohammed bin Hamad Al-Rumhi, Minister of Energy and Minerals, **Oman**
- Dr. Fatih Birol, Executive Director, **International Energy Agency**
