Personal Data Protection Notice for “Reforming Korea’s Electricity Market for Net Zero” report launch event

Please refer to the [Data Protection Notice regarding Visitors to the IEA and IEA Event Participants](#) available on the IEA’s website for further information regarding the IEA’s processing of your personal data “Reforming Korea’s Electricity Market for Net Zero” report launch event taking place on 9 December 2021 (the “**event**”) and your rights in relation to your data.

The IEA also wishes to inform you that the event will be recorded. Additionally, the recording will be posted on the IEA’s and KEEL’s websites after the event. This in order to expand access to a wider audience, including people who weren’t able to attend the event. Photographs may also be taken to facilitate communications and publicity. The IEA is unable to edit the recording during the live webcast or after the event in order to obscure any participant’s image.

The recordings and photographs may be disseminated on social media channels and potentially re-used for informational purposes for up to 5 years. Additionally, the livestream recording will be available for public review for up to 10 years. All such material will then be archived at the IEA for an indefinite period of time. Only limited IEA staff have access to such archived recordings and photographs.

As mentioned in the notice, we may also contact you about future events that might be of interest. If you do not wish to be contacted about future events please send an email to anna.kalista@iea.org
