Market Analysis
Investment Promotion

ENVIRONMENT AND CLIMATE CHANGE

Climate Action
Environmental and social Impact Assessment

FINANCIAL AND ECONOMICAL ASSESSMENT

Green Economy access to finance
Job creation and gender mainstream

Skills Development – Best Practices

(PA-CEMP)

Pan Arab Certified Energy Management Professional Program

برنامج خبير معتمد في إدارة الطاقة

PA-CEMP is a professional certification program endorsed by the Executive Bureau of the Arab Ministerial Council of Electricity.

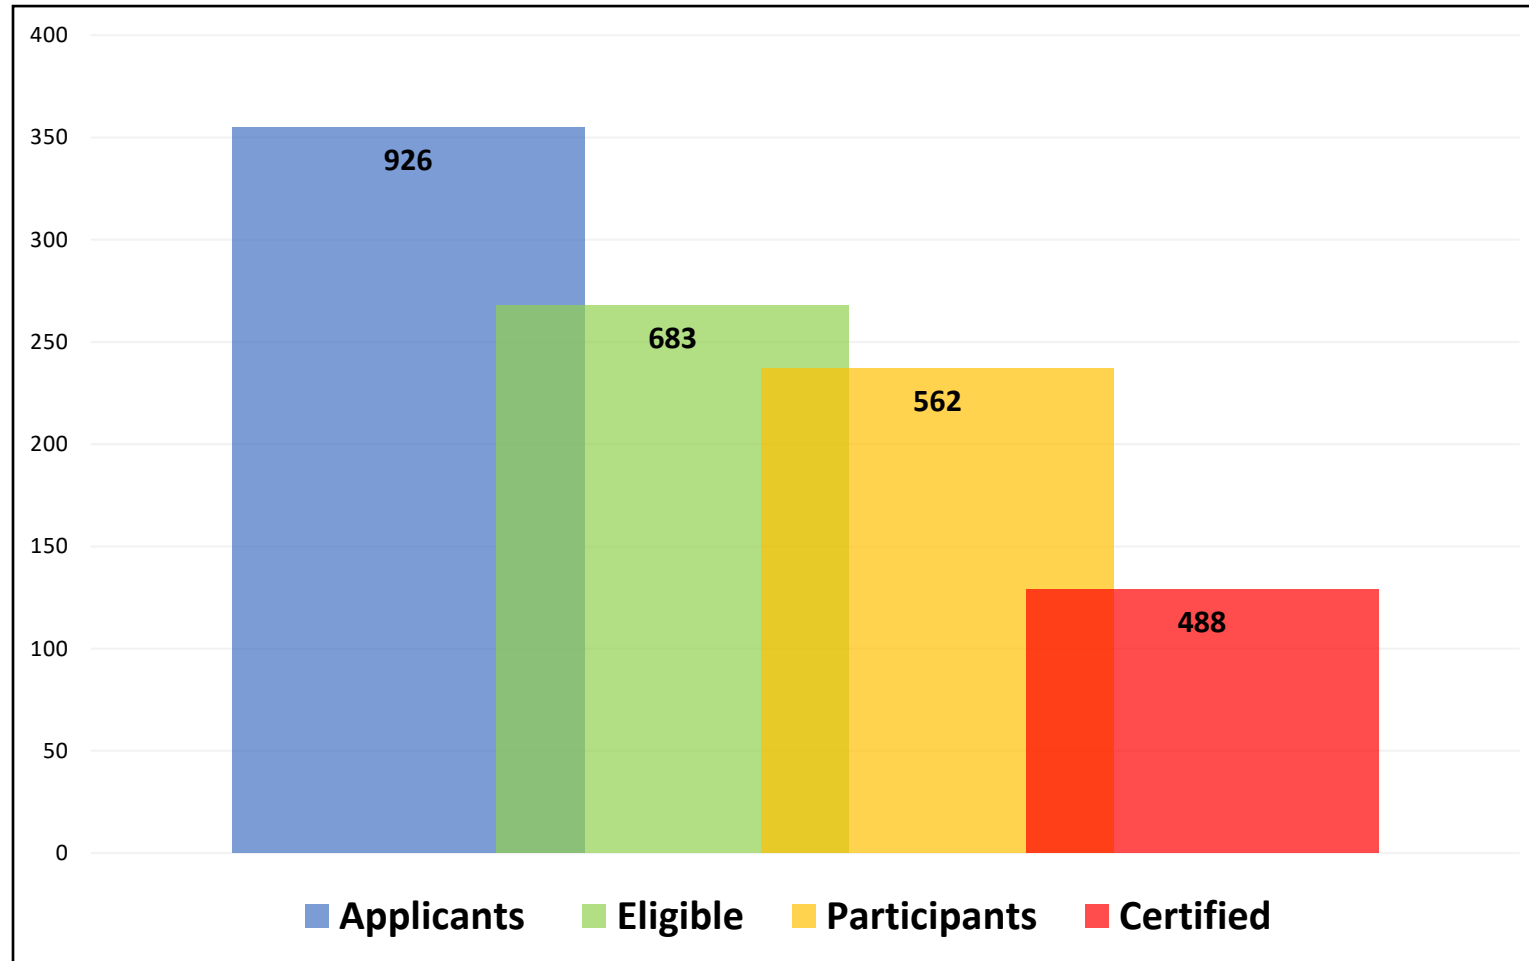

RCREEE in collaboration with **LAS** developed **PA-CEMP** as a standardized professional certification program for Energy Managers tailored for Arab region.

IMPACT

Improve end use energy efficiency resulting in:

- **Lower increase in energy demand** on the national level
- **Reducing investment** in expanding the **supply** side
- **Create good local jobs**

48 PA-CEMP Rounds was held in 4 Arab Countries

Mohamed Sherwali
