

**Corrigendum:** Gas Market Report, Q2-2024

**Issued:** April 2024

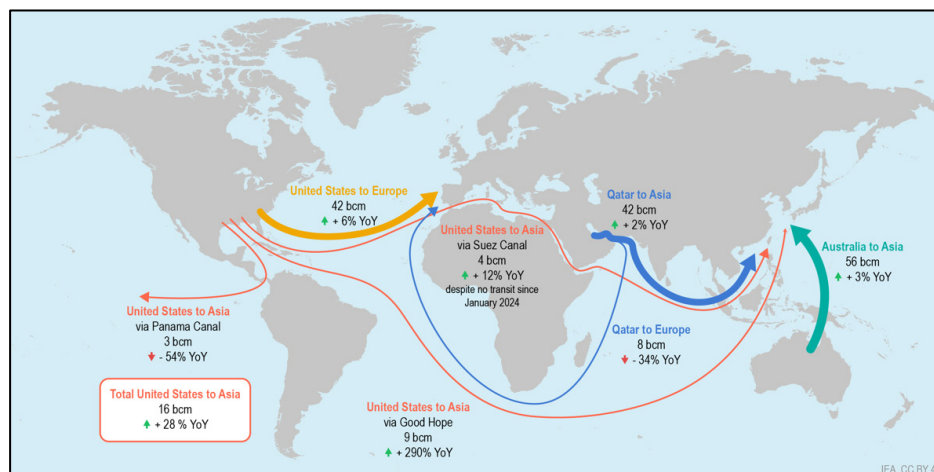

**Link to report:** <https://www.iea.org/reports/gas-market-report-q2-2024>

On page 34, in the original map, US LNG flows to Asia via the Cape of Good Hope erroneously showed total US flows to Asia. The new map corrects this.

Previous version:

New version:

On the cover page, the subtitle was superfluous and was deleted.
