

Enhancing International Technology Collaboration

12 - 13 November 2008

United States Department of Energy and
International Energy Agency

In support of the G8 Plan of Action

Agenda

Venue: US DOE Meeting Room 6E-069

Wednesday 12 November 2008.

Time		Speaker
8.30	Registration	
9.00	Welcome and introductions	Rob Kool Chair, IEA Expert Group on R&D Priority Setting Netherlands Robert Marlay Vice-Chair, IEA Expert Group on R&D Priority Setting/ Office of Policy and International Affairs United States Department of Energy
9.15	Background - incl. flow-down to IEA from G8 and Major Economies Meeting processes	Robert Marlay and Jeppe Bjerg
9.30	Energy Technology Perspectives 2008 – Roadmaps for enhancing international technology collaboration	Jeppe Bjerg Energy Analyst Energy Technology Policy Division International Energy Agency
10:30	Coffee break	
Session 1: Energy Technology Roadmaps		
	Chair	Herbert Greisberger, Austria
11:00	Update on current roadmap and R&D mapping activities at the IEA	Steven Lee Energy Analyst Energy Technology Policy Division International Energy Agency
11.30	Advancing Energy Technology: Japanese perspective on Roadmaps.	Atsushi Kurosawa Institute of Applied Energy Japan
12:00	Group Discussion on Workshop Goals and Objectives	Craig Zamuda Office of Policy and International Affairs United States Department of Energy
12.30	Lunch	

An IEA/US DOE Workshop:
Enhancing International Technology Collaboration
12 – 13 November 2008, United States Department of Energy

Session 2: Bilateral Science and Technology Agreements

	Chair	Rob Kool , Netherlands
13:30	Bilaterals – the strategic perspective	Trigg Talley United States Department of State
14:00	Bilaterals – the researcher perspective	Scott Smouse National Energy Technology Laboratory United States Department of Energy
14:30	Lessons learned from energy technology bilateral in Sweden	Peter Rohlin Expert Swedish Energy Agency Sweden
15:00	<i>Coffee Break</i>	

Session 3: IEA Implementing Agreements

	Chair	Robert Marlay , United States
15:30	The IEA technology framework	Peter Versteegh EUWP Vice Chair for Electricity Netherlands
16:00	Global collaboration on building technologies	Markku Virtanen Vice Chair, ECBCS IA Energy Conservation in Building and Community Systems IA Finland
16:30	Innovative Approaches to Accelerating Commercialization of Advanced Energy Technologies for Developing Countries	Jonathan Coony Sr. Energy Specialist, ESMAP The World Bank
17:00	<i>Close of meeting</i>	
19:00	<i>Group Dinner (a Dutch treat – everyone pays for him/herself)</i>	

An IEA/US DOE Workshop:
Enhancing International Technology Collaboration
12 – 13 November 2008, United States Department of Energy

Thursday 13 November

Session 4: Regional collaboration models – Europe

	Chair	Frank Witte , Netherlands
9:00	European Technology Collaboration	Stathis Peteves Joint Research Centre/DG Research European Commission
9:30	Nordic Energy Research Collaboration	Birte Holst Jørgensen Director Nordic Energy Research
10:00	ERA – NET – coordinating collaboration amongst EU and European countries	Herbert Greisberger Director, OEGUT Austria

10:30 *Coffee break*

Session 5: Regional collaboration models – Asia/Pacific

	Chair	Steven Lee , IEA
11:00	Collaboration under Asian Pacific Partnership	Griff Thompson United States Department of State
11:30	Energy collaboration under APEC	tbc.

12:00 Discussion

12:30 *Lunch*

Session 6: Technology focused multilateral collaboration

	Chair	Peter Rohlin , Sweden
13.30	IPHE	Michael Mills Office of Energy Efficiency and Renewable Energy United States Department of Energy
14:00	ITER	John Glowienka Office of Science United States Department of Energy Michael Roberts Director, RobertsInternational, LLC United States
14:30	Carbon Sequestration Leadership Forum	Judd Swift Office of Fossil Energy United States Department of Energy
15:00	GENIV	Thomas O'Connor Office of Nuclear Energy United States Department of Energy

Session 6: Roundtable discussion on issues raised in Day 1 and 2

	Chair	Jeppe Bjerg , IEA
--	-------	--------------------------

15.30 Round table discussion

16:30 *Close of Workshop*
