

**INTERNATIONAL ENERGY AGENCY (IEA) FUEL POVERTY WORKSHOP #1  
EVALUATING THE CO-BENEFITS OF LOW-INCOME WEATHERISATION  
PROGRAMMES**

Dublin Castle, Ireland: Thursday, 27 & Friday, 28 January 2011

DAY ONE	SESSION	SPEAKER
9:00	Participants Welcome	<b><u>Welcome</u></b> Bo Diczfalusy, Director of Sustainable Energy Technology and Policy Directorate, IEA
9:15	1. Setting the Scene	<b><u>Overview of Fuel Poverty Issues</u></b> (Brenda Boardman, Emeritus Fellow, Environmental Change Institute, University of Oxford, UK)  <b><u>Framing the Role of Co-Benefits</u></b> (Lisa Skumatz, Skumatz Economic Research Associates, Inc., USA)
10:30	<b>COFFEE BREAK</b>	
11:00	2. Societal Economic Benefits	<b><u>Focus on Property Value Increases as a Benefit of Weatherisation</u></b> (Daniela Popescu, Technical University of Iasi, Romania)  <b><u>Focus on Jobs Creation as a Benefit of Weatherisation</u></b> (Sergio Tirado-Herero, Center for Climate Change & Sustainable Energy Policy, Central European University, Hungary)
12:30	<b>LUNCH BREAK</b>	
14:00	3. Benefits to Energy Providers & Governments	<b><u>Overview of Benefits to Energy Providers &amp; Govts: An Evaluator Perspective</u></b> (Kathleen Gaffney, KEMA, USA)  <b><u>Investigating Utility/Rate-payer benefits: A Regulatory Perspective</u></b> : (Sara Brady, Northern Ireland Authority for Utilities Regulation)  <b><u>Getting Moving on Utility / Rate-payer Benefits: Utility Perspective</u></b> (Jenny Livingstone, NIE Energy, Nth Ireland)
16:00	<b>COFFEE BREAK</b>	
16:20	4. Co-Benefits for Participants	<b><u>Participant Benefits and Quality of Life: The Challenge of Hard to Measure Benefits</u></b> (Brenda Boardman, Emeritus Fellow, Environmental Change Institute, Oxford, UK)  <b><u>The Whole Community Approach: Report from the Field</u></b> (Clare Ryan, Community-Based Organisation Forum, Ireland)  <b><u>Making the Link with Participant Health and Wellness</u></b> (Philippa Howden-Chapman, University of Otago, NZ Centre for Sustainable Cities, New Zealand)
18:15	<b>IEA RECEPTION EVENT</b>	

DAY TWO	SESSION	SPEAKER
9:00	5. Health and Safety Case Studies	<p><b><u>Valorising Health Benefits in the Policy Context</u></b> (David Ormandy, WHO Collaborating Centre for Housing Standards &amp; Health, University of Warwick, UK and Véronique Ezratty, Medical Studies Dept., EDF, France)</p> <p><b><u>Heat or Eat: The Children's Healthwatch Experience</u></b> (Deborah A. Frank, M. D., Boston Medical Center, USA)</p>
10:30	COFFEE BREAK	
11:00	6. Methodological Challenges	<p><b><u>Methodological Issues in Collecting NEB Data</u></b> (Lisa Skumatz, Skumatz Economic Research Associates, Inc., USA)</p> <p><b><u>Designing Methodology &amp; Engaging Participant Support: Practical Questions</u></b> (Matthew Murray, Energy Savings Trust, UK)</p>
12:30	CATERED LUNCH	
14:00 – 15:30	6a. Approaches to Quantification	<p><b><u>Quantification of NEBs: A Review of the Options</u></b> (Roger Colton, Fisher, Sheehan &amp; Colton, Public Finance &amp; Economics, USA)</p> <p><b><u>Interesting Experimental Approaches: ORNL Winter Case Study</u></b> (Bruce Tonn, Oakridge National Laboratory, USA)</p>
15:30	COFFEE BREAK	
16:00 - 17:45	7. The Way Forward	<p><b><u>The European Union's 3<sup>rd</sup> Energy Package &amp; its Implications for Low Income Weatherisation</u></b> (Tadhg O'Briain, Directorate General for Energy, European Commission)</p> <p><b><u>Policy Approaches in Ireland</u></b> (Stjohn O'Connor, Sustainable and Renewable Energy Division, Department of Communications, Energy and Natural Resources, Ireland)</p> <p><b><u>Policy Approaches in the UK</u></b> (Jamie Torrens, Fuel Poverty, Energy Efficiency &amp; Consumers Division, Department of Energy and Climate Change, UK)</p> <p><b><u>Policy Approaches in the USA</u></b> (Bruce Tonn, Oak Ridge National Laboratory, USA)</p>
17:45-18:00	Summary Comments	<b><u>Wrap UP</u></b> (Grayson Heffner, Energy Efficiency Unit, IEA)
