**WE MEAN
BUSINESS**

The climate initiatives

Commit to adopt a science based emissions reduction target

Commit to having a strategy in place to procure 100% of electricity from renewable sources

Commit to removing commodity-driven deforestation from all supply chains

Commit to report climate change information in mainstream reports as a fiduciary duty

Commit to responsible corporate engagement in climate policy

Commit to put a price on carbon

Commit to adopt a science-based emissions reduction target

Demonstrate climate leadership by committing to adopt a science-based emissions reduction target.

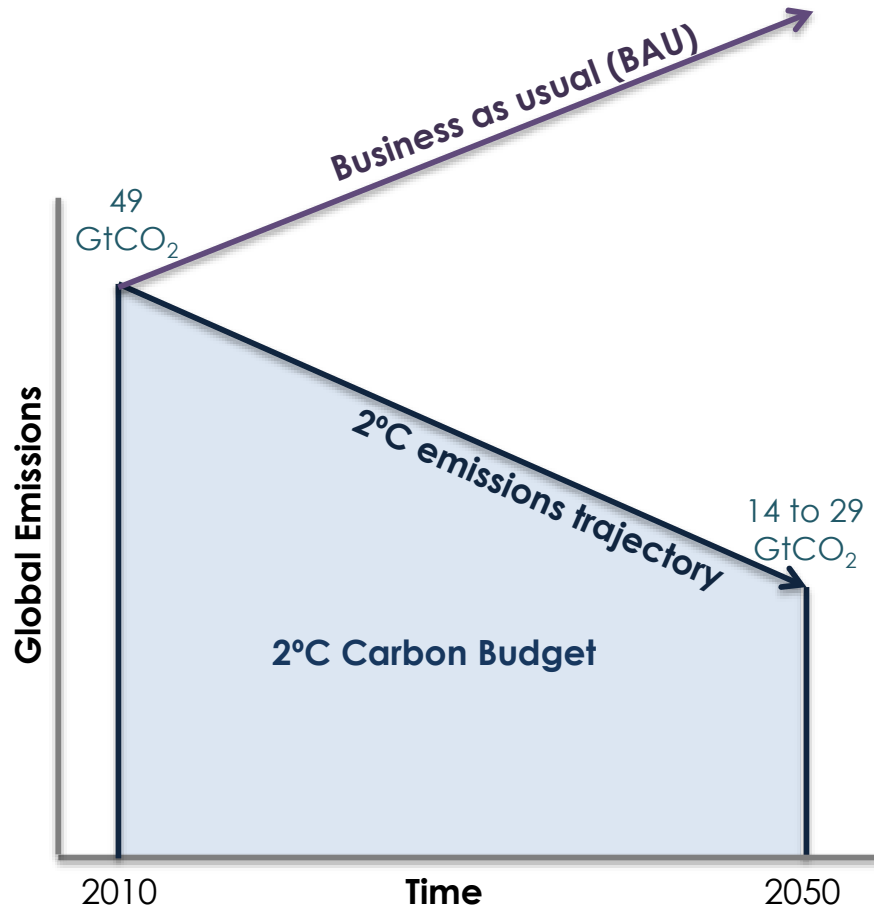

What does it mean:

- ▼ Companies are aligning GHG targets with climate science, accounting for their fair share of global emissions.
- ▼ Companies recognize ambitious targets mitigate risk and drive the ambition and innovations needed to transition to a low-carbon economy

43 companies committed to date, including:

- ▼ Xerox Corporation
- ▼ Honda Motor Company
- ▼ AstraZeneca

Set science-based emissions reduction target

Business as usual scenario

- emissions increased by 2.2% on average every year
- reach 3.7 to 4.8°C of global warming by the end of the century

2°C scenario

- In 2050, 41 to 72% lower emissions than in 2010
- 2°C carbon budget for the period 2011-2050 is in the range of 530 – 1300 GtCO₂ (144 – 354 GtC)

Commit to procure 100% of electricity from renewable sources

Demonstrate climate leadership by committing to procure 100% of electricity from renewable sources.

What does it mean:

- ▶ Companies are making public commitments to work toward procuring all electricity from renewable sources in the shortest practical timescale.
- ▶ These companies are helping create a thriving global market for renewable power.

22 companies committed to date, including:

- ▶ Ikea
- ▶ Mars
- ▶ Infosys

WE MEAN BUSINESS

Commit to put a price on carbon

*Demonstrate climate leadership
by putting a price on carbon.*

What does it mean:

- ▼ Companies are committing to follow the UN Global Compact's Business Leadership Criteria on Carbon Pricing:
 - ▼ Set an internal price on carbon
 - ▼ Publicly advocate
 - ▼ Report on progress

46 companies committed to date, including:

- ▼ Veolia
- ▼ Enel
- ▼ Schneider Electric

Set internal price on carbon and advocate governments do so

INTERNAL PRICE

Number of companies that disclose internalizing a price on carbon

Putting corporate commitments at the heart of the policy dialogue – UNFCCC Nazca Portal, COP21 action agenda & UNFCCC Work stream 4

Over 350 companies, cities, regions & investors have committed to take pre-2020 action

United Nations
Framework Convention on Climate Change
