

**Policies for Energy Provider Delivery of Energy Efficiency
EU Regional Policy Dialogue
Brussels, January 18-19, 2012
Charlemagne Building, Rue de la Loi 170**

January 18, 2012

TIME	TOPIC	PRESENTERS
13.30 – 14.00	REGISTRATION	
14.00 – 14.15	Opening speech	Mr. Philip Lowe, Director General, DG-Energy
Session 1. Introductory plenary. This session introduces the IPEEC Subtask on Policies for Energy Provider Delivery of Energy Efficiency (PEPDEE) and its potential contributions to policy development in the EU, North America, and elsewhere. Chaired by Tom Bastin of UK DECC		
14.15 -15.00	Introducing the IPEEC-PEPDEE project	Grayson Heffner, Senior Energy Efficiency Analyst, IEA
	International trends towards energy provider-delivered energy efficiency	Richard Cowart, European Programme Director, Regulatory Assistance Project
	Energy Provider obligations under the proposed Energy Efficiency Directive	Paul Hodson, Head of the Energy Efficiency Unit, DG-Energy
15.00-15.15	Discussion and questions	
15.15-15.45	COFFEE BREAK	
Session 2. Keynote presentations - the importance of energy efficiency obligations and recent EU experience. Three keynote presentations will describe the impact on business models, the future role of energy efficiency obligations for Europe, and results to date. Chaired by Grayson Heffner of the IEA		
15.45-16.45	Introducing energy efficiency into energy provider business models	Martin Orrill, Head of Renewable Heating, British Gas New Energy
	The role of energy efficiency obligations policy in meeting the EU's 20-20 target	Peter Bach, Senior Policy Advisor, Danish Energy Authority; President, ECEEE
	Results to date of energy provider-delivered energy efficiency in Europe	Eoin Lees, Senior Advisor, RAP Europe
Session 3. Stakeholder Panel Discussion. This session will provide stakeholder groups an opportunity to articulate their views on key issues which policies for energy provider-delivered energy efficiency should address. Chaired by Eoin Lees of RAP.		
16.45--17.30	Key issues for electricity providers	Daniele Agostini, Enel, Chairperson, Eurelectric Energy Efficiency Working Group
	Key issues for gas providers	Dr. Pauline Lawson, E.ON, Chairperson, Eurogas Supply & Markets Development Committee
	Key issues for regulators	Pedro Verdelho, Electricity Efficiency Department Head, Energy Services Regulatory Authority, Portugal
	Key consumer protection issues	Heidi Ranscombe, Senior Public Affairs Advocate, Consumer Focus UK
	Key energy efficiency supplier issues	Adam McCarthy, Director of Government and Trade Relations, Johnson Controls
17.30-18.00	Questions and discussion	
18.00-18.15	Instructions for Day Two Group Break-Out Discussion Sessions	
18.15-19.30	Wine and cheese reception hosted by the International Energy Agency	

January 19, 2012

<p>Session 4. Group Break-out Discussion Sessions. <i>There will be four parallel break-out sessions, each focused on a particular technical issue which any policy for energy provider delivery of energy efficiency must address. The purpose of the break-out sessions is to better understand each issue, appreciate the often-different perspectives on how to address each issue, and to search for common ground amongst stakeholders and experts. Each group break-out discussion session will have an assigned moderator and rapporteur.</i></p>		
09.00-09.15	Second day registration and break-out group assignments	
09.15-12.30 (coffee break at 11.00)	Group Break-out Discussion Session A: Choosing which end-use sectors are covered and why	Presentations by Marcella Pavan, Italian Regulatory Authority for Electricity and Gas (AEEG), and Thibaut Leinekugel le Cocq, Deputy Head of Office, French Directorate General of Climate and Energy Efficiency Moderator: Nicola Rega, Eurelectric
	Group Break-out Discussion Session B: Realizing the business opportunities created by energy efficiency obligations – what are the issues for energy providers and regulators?	Presentations by Marielle Liikanen, Chair of CEER Retail Market Functioning Task Force, and Randall Bowie, Rockwool Moderator: Jan Henrik Conrady, Communications and Public Affairs Director, Vattenfall Europe AG
	Group Break-out Discussion Session C: Pros and cons of including tradable certificates as part of obligations policies	Presentations by Caiman Cahill, European Commission DG-JRC Institute for Environment and Sustainability, and Rouzbeh Rezakhanlous, Commercial Strategy Department, EDF Moderator: Peter Bach, Danish Energy Agency
	Group Break-out Discussion Session D: Incorporating social considerations into energy efficiency obligations policies	Presentations by Darryl Croft, Senior Researcher, Association for the Conservation of Energy, and Frances Williamson, Head of Policy and External Relations, UK Energy Retail Association Moderator: Pirjo-Liisa Koskimaki, Advisor, DG-Energy
12.30-14.00	LUNCH	
<p>Session 5. Group break-out session results. <i>Each break-out session will report out their results, beginning with the rapporteur reports followed by Q&A.</i></p>		
14.00-15.00	Group A report	Rapporteur: Graham Pugh, US DOE
	Group B report	Rapporteur: Stefan Scheuer, Secretary General, Coalition for Energy Savings
	Group C report	Rapporteur: Stjohn O'Connor, Dept. of Communications, Energy and Natural Resources
	Group D report	Rapporteur: Maria Mendiluce, World Business Council for Sustainable Development (WBCSD)
15.00-15.30	Discussion and questions	
15.30-16.00	COFFEE BREAK	
<p>Session 6. Closing plenary – the way forward. <i>In this last session invited speakers will present their views on the way forward on policies for energy provider delivery of energy efficiency</i></p>		
16.00-16.45	Energy efficiency services – a promising new business for energy providers	Ulrik Stridbaek, Head of the Regulatory Affairs Group, Dong Energy
	The way forward to meeting the 20/20 target	Tom Bastin, UK DECC and PEPDEE Task Leader
	Discussion and questions	
16.45-17.00	Summary of the Day – Eoin Lees of RAP and Grayson Heffner of the IEA	
17.00	Workshop Close
