

## Participants of IEA-SGCC Dialogue on Global Energy Interconnection

No.	Name	Title
1	Paolo Frankl	Head of the Renewable Energy Division, IEA
2	Kevin Tu	China Program Manager, IEA
3	Simone Landolina	Acting Head, International Partnerships and Initiatives Unit, IEA
4	Simon Mueller	Senior Analyst of Renewable Energy Division, IEA
5	Angarag Myagmar	Head of Renewable Energy Division, Ministry of Energy, Mongolia
6	Jung Yonghun	Counsellor to the Minister for Trade, Industry and Energy, South Korea
7	Kaare Sandholt	China National Renewable Energy Centre
8	Sara Garcia Munoz	Director of China Prosperity SPF Fund, British Embassy
9	Jin Weichen	Low Carbon Growth Manager, British Embassy
10	Lewis Parish	Energy Program Analyst, US Department of Energy - Beijing
11	Sun Liang	Energy Efficiency and Renewable Energy Analyst, US Department of Energy - Beijing
12	Ignacio Asenjo	Secondary Secretary, Trade Section, European Embassy
13	Sun Jiami	National Energy Administration
14	Wang Zhongying	Director of China National Renewable Energy Centre
15	Wang Hongfang	China National Renewable Energy Centre
16	Wu Tianrong	Deputy Director of International Cooperation Department, China Electricity Council
17	Chen Xiaoliang	Deputy Secretary-General, Chinese Society for Electrical Engineering
18	Xia Qing	Former Deputy Director of Electrical Engineering Department, Tsinghua University
19	Xue Ancheng	Assistant Dean of Electrical & Electronic Engineering School, North China Electric Power University
20	Xu Yanhui	Assistant Dean of Electrical & Electronic Engineering School, North China Electric Power University
21	Liu Yutian	Dean of Electrical Engineering School, Shandong University

22	Geng Dan	China Association of Circular Economy
23	Li Yimian	China Association of Circular Economy
24	Wang Yimin	Chief Information Office, SGCC
25	Chen Gesong	Deputy Director, Global Energy Interconnection Office, SGCC
26	Sun Shengpeng	Deputy Director, Research Office, SGCC
27	Zhao Jing	Deputy Division Director, Department of International Cooperation, SGCC
28	Xu Jianjun	Deputy Division Director, Department of International Cooperation, SGCC
29	Bi Yanqiu	Department of International Cooperation, SGCC
30	Yao Jianguo	Division Director, Department of Science and Technology, SGCC
31	Xu Chenggang	Department of Public Relations, SGCC
32	Zhang Yunzhou	President, State Grid Energy Research Institute, SGCC
33	Wei Bin	Chief Economist, State Grid Energy Research Institute, SGCC
34	Bai Jianhua	Director, Energy Strategy and Planning Research Department, State Grid Energy Research Institute, SGCC
35	Huang Han	Deputy Director, Power Grid Development Comprehensive Research Department, State Grid Energy Research Institute, SGCC
36	Gao Keli	Vice President, China Electric Power Research Institute, SGCC
37	Chi Yongning	Chief Engineer, Department of Renewable Energy, China Electric Power Research Institute, SGCC
38	Li Yalou	Chief Engineer, Department of Power System, China Electric Power Research Institute, SGCC
39	Han Feng	Vice President, State Power Economic Research Institute, SGCC
40	Li Hui	Director, Transmission Network Planning Center, State Power Economic Research Institute, SGCC
41	Song Fulong	Deputy Director, Transmission Network Planning Center, State Power Economic Research Institute, SGCC
42	Qiu Yufeng	Vice President, State Grid Smart Grid Research Institute, SGCC
43	Zhou Fei	Deputy Director, Department of Science and Technology, State Grid Smart Grid Research Institute, SGCC
44	Yang Tong	Department of Science and Technology, State Grid Smart Grid Research Institute, SGCC
