Energy Efficiency in Denmark

Ambassador Carsten Staur, Permanent Representative of Denmark to the OECD

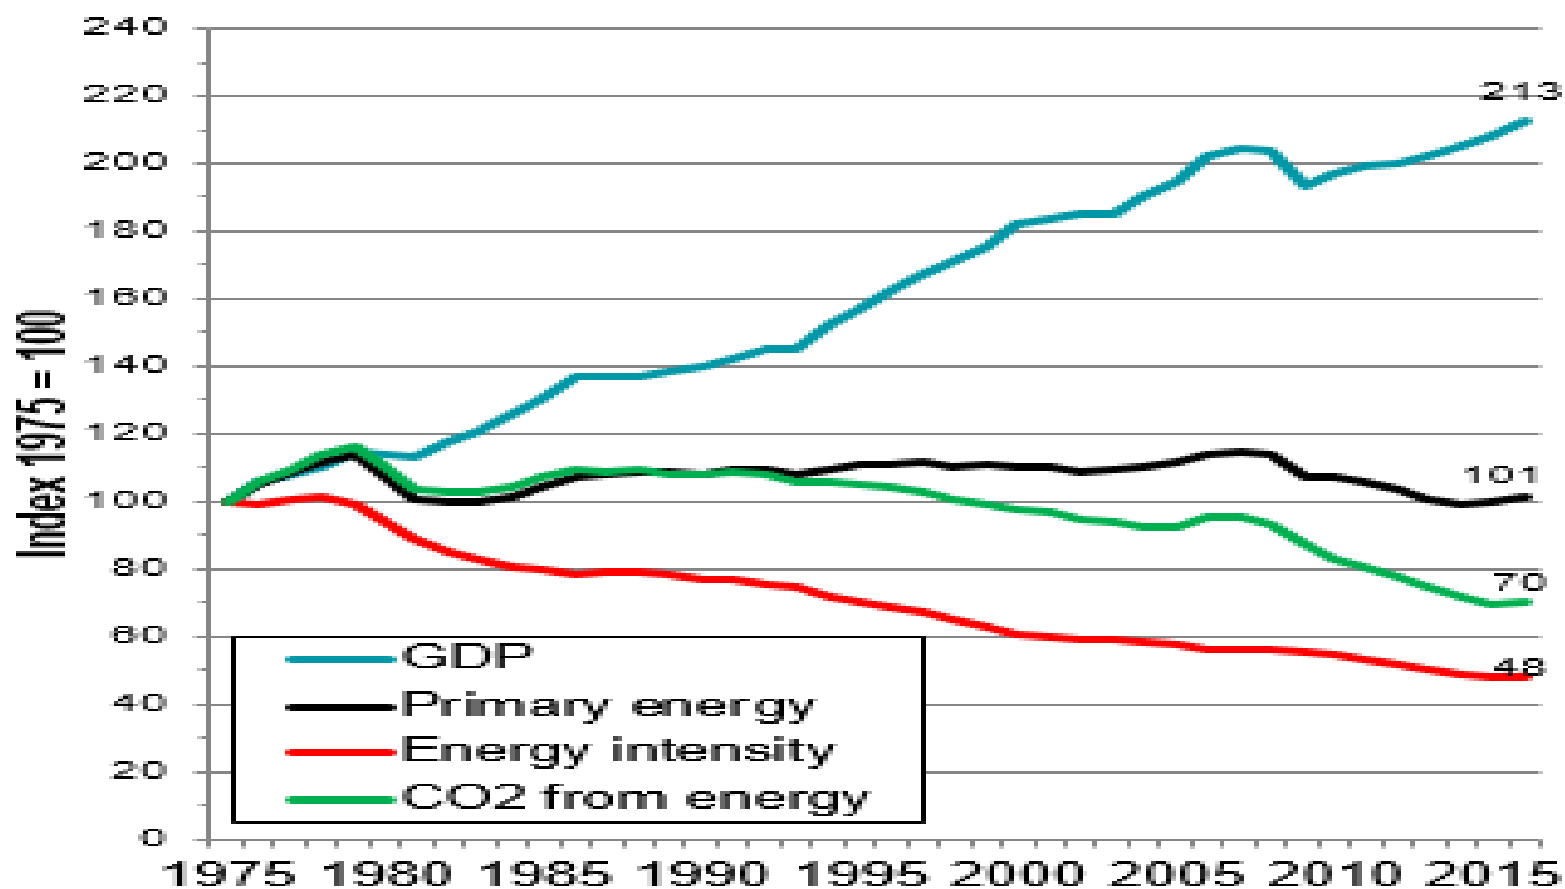

**MINISTRY OF FOREIGN
AFFAIRS OF DENMARK**

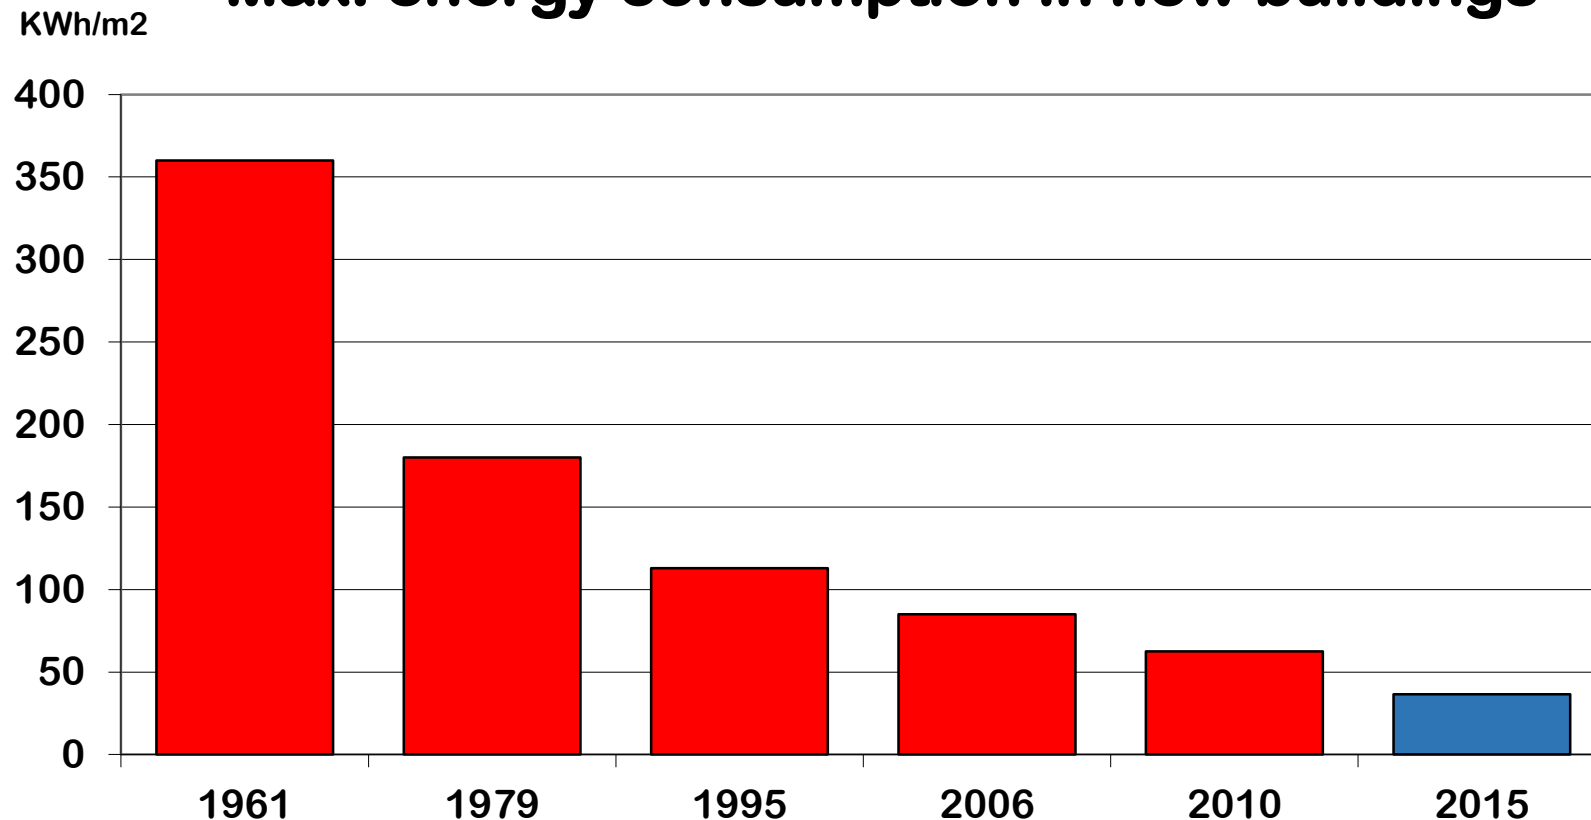

MINISTRY OF FOREIGN AFFAIRS OF DENMARK

Denmark has been successful with decoupling energy consumption from economic growth

Max. energy consumption in new buildings

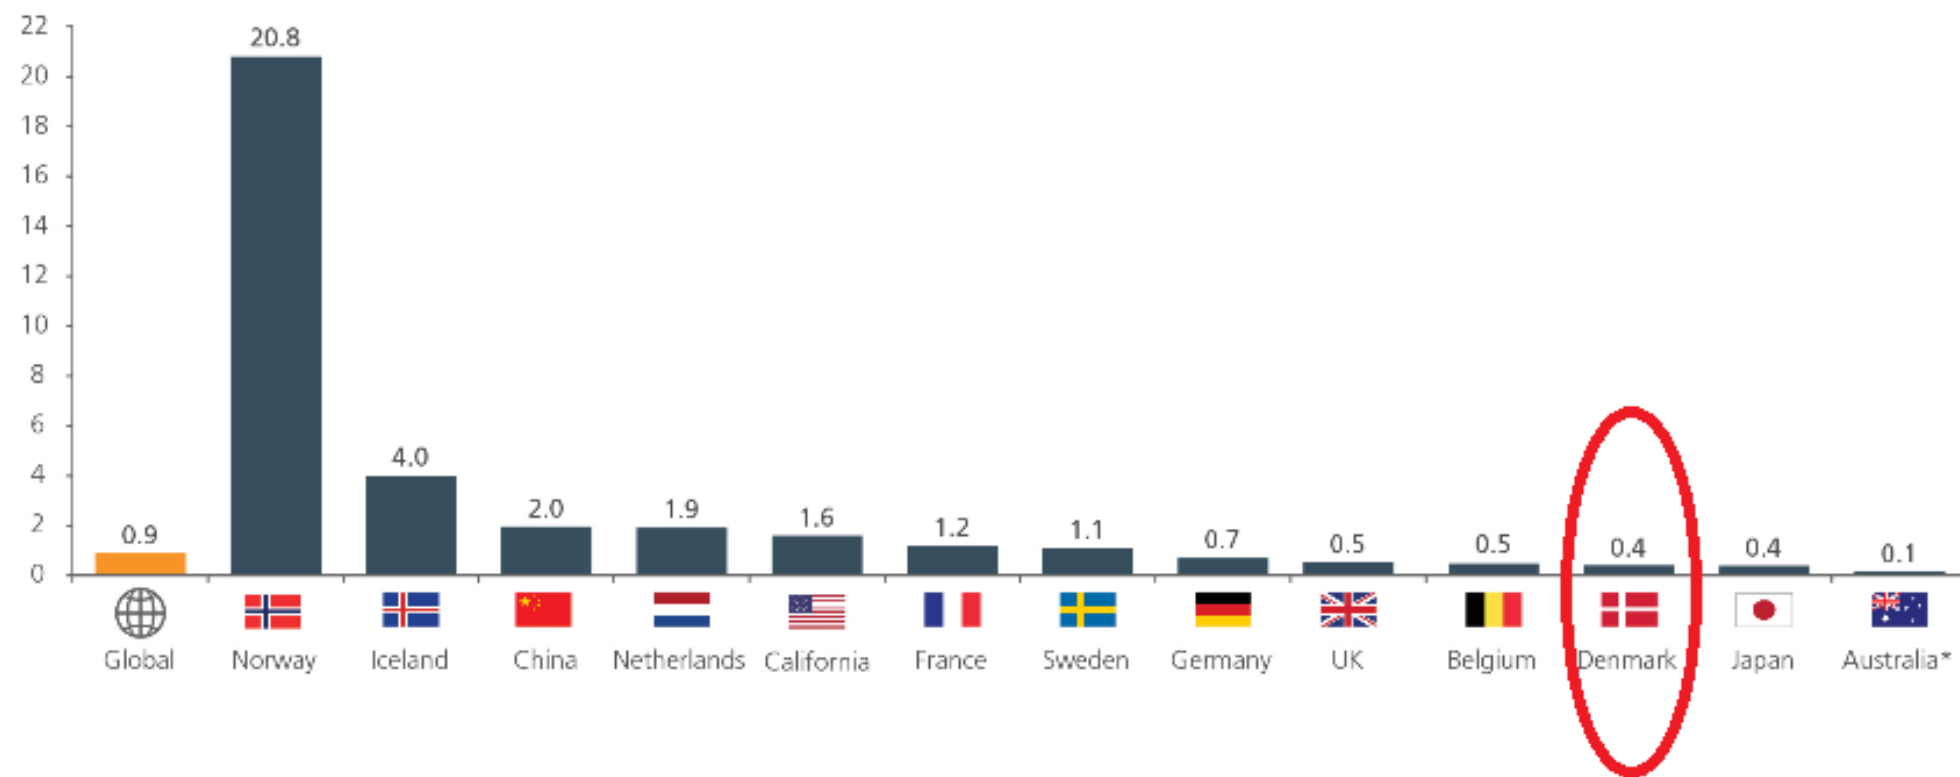

**An example to follow: Building Codes for new buildings.
Dynamic, transparent and effective**

Electric vehicle market share of new passenger vehicle sales
(2017)
Percent of total new passenger vehicle sales

**A Danish challenge aka. an example not to follow:
low sales of EV due to stop-go policy**
