IEA Workshop, Paris, 10-11 May 2016

The initiative

A stylized map of Europe is shown in dark blue against a white background. Numerous small, three-dimensional flags of various European countries are pinned to the map, representing the initiative's reach across the continent. The flags are scattered across the map, with a higher concentration in the central and eastern parts of Europe. The flags include those of the United Kingdom, Germany, France, Italy, Spain, Portugal, Greece, and many others, illustrating the global nature of the initiative.
