

Perspectives for JI at COP 11

Maurits Blanson
Henkemans

Ministry of Economic Affairs
Netherlands

28-8-2005 Paris

Following Issue's I want to discuss

- JI track one and two
- Companies need certainty
- Possible role of JI SC
- Decision at CoP/MoP to give certainty

Eligibility requirements for JI

Track 1 (full eligibility)

- a. Party to the Kyoto Protocol
- b. Assigned amount calculated
- c. National system in place for estimating emissions/removals
- d. National registry in place for tracking assigned amount
- e. Submission of most recent required emissions inventory
- f. Accurate accounting of assigned amount and submission of information

Track 2

- a. Party to the Kyoto Protocol
- b. Assigned amount calculated
- d. National registry in place for tracking assigned amount

Track 2

Key role for international oversight

- By JI SC:

- > Accredit independent enties (AIE)

- > Review:

- Baseline and monitoring methodologies

- Elaboration of PDD

- By AIE:

- > Determination Art. 6 projects PDD

- > Determination of emission reductions

Role SC

Request in speciale cases review of decision of
AIE

Track 1

- Key role for host Party
 - > Have designated focal point for approving projects
 - > Have determined national guidelines for
 - Approving projects
 - Monitoring
 - Verification
 - > Shall make directly or through secretariat information on projects publicly available
 - > Meet participation requirements
- No international guidelines regarding approving projects, baseline definition, monitoring, verification etc.

How to get a prompt start for JI second track?

- Let JISC accredit CDM DOE's to be automatically IE for JI
- Let CDM mythologies be valid for JI
- Let CoP/MoP 1 give this guidance to JISC
- Take care of good financing of JI SC
- Let JISC supervise

The Composition of JI SC

- 3 Members from Annex I and be in transition
- 3 Members of Annex 1
- 3 Members Non Annex 1
- 1 Small Island State
