  - Evaluateenergy efficiency policy.

# Link between training content and objectives

# Continuing your learning after this training

- We can't cover everything in a few days but we can point you in the direction of further support and resources!

Pair up with someone you haven't met yet. Discuss:

- What policies/programmes are working on?
- Describe one key challenge associated with your policies/programmes
- What unique perspective and experience you bring to this training that you can share with others?

- Discussions and questions
- Interactive exercises and worksheets
- Your role
- Breaks
- Use of phones and computers
- Wi-fi access
- Emergencies

- Policy design
- Policy development
- Policy implementation
- Energy auditing
- Training and capacity building
- Evaluation
- Energy management
