

2b. Review of urban systems

John Dulac and Mel Slade

Bangkok, 2 April 2019

IEA #energyefficientworld

1. How does urban design affect transport patterns, water use and other activities?

2. In what way can you influence urban design?

- A. If your municipality is a new one and you are in the planning stage
- B. If your municipality is still growing
- C. If your municipality is well developed and densely populated
