

The ENSTO logo is displayed in a bold, blue, sans-serif font in the top right corner of the slide.Three overlapping blue geometric shapes (a large triangle and two smaller squares) are located in the top left corner.

Electric vehicle charging

Juha Stenberg, Ensto

Better life.
With electricity.

Ensto Today

- › Ensto designs and provides smart electrical solutions to improve the safety, functionality, reliability and efficiency of smart grids, buildings and transportation.
- › We believe in a better life with electricity and a more sustainable tomorrow.

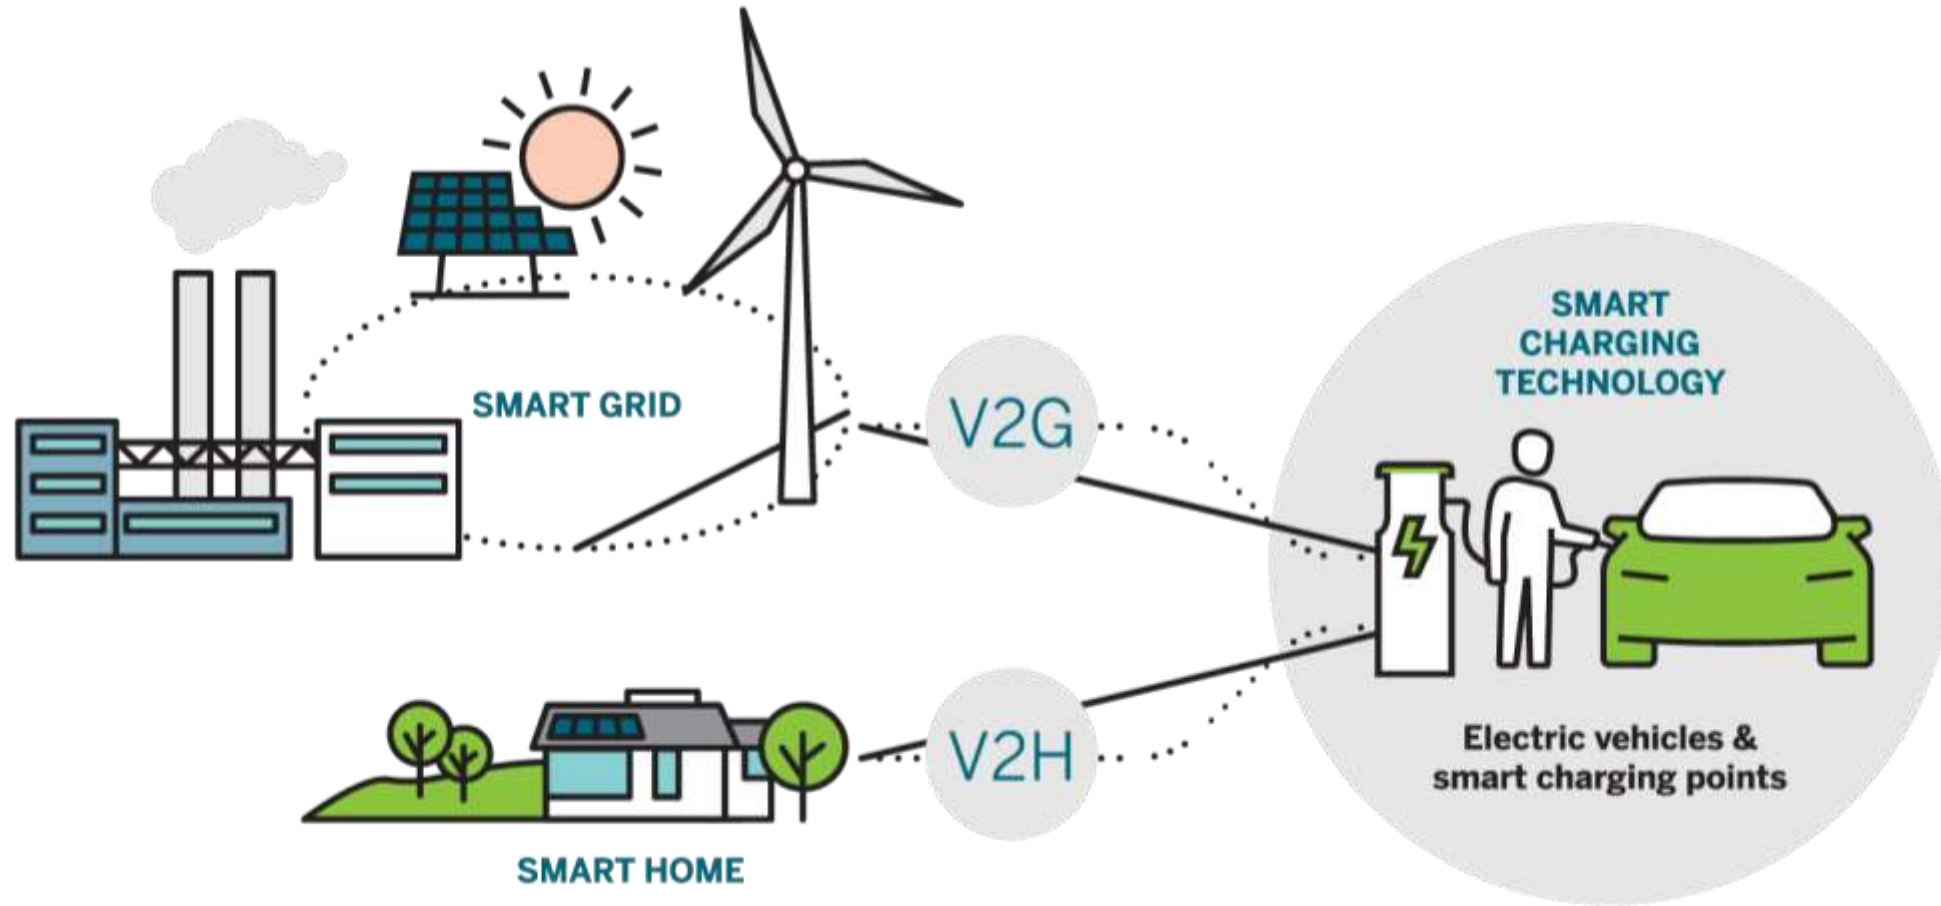

Market leading EV charging solutions

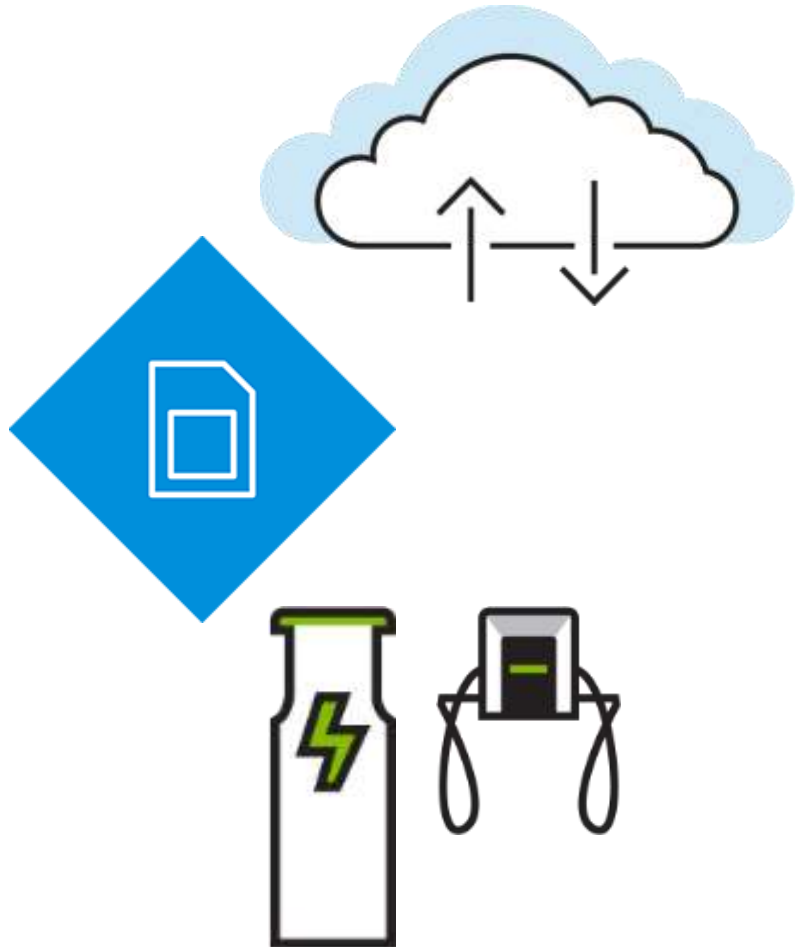

- › Deliveries to over 35 countries
- › Strong in public and semi-public EV charging
 - › Market share of 15%
- › Pioneer in EV charging solutions
 - › Since 2009

Smart EV
Charging solution

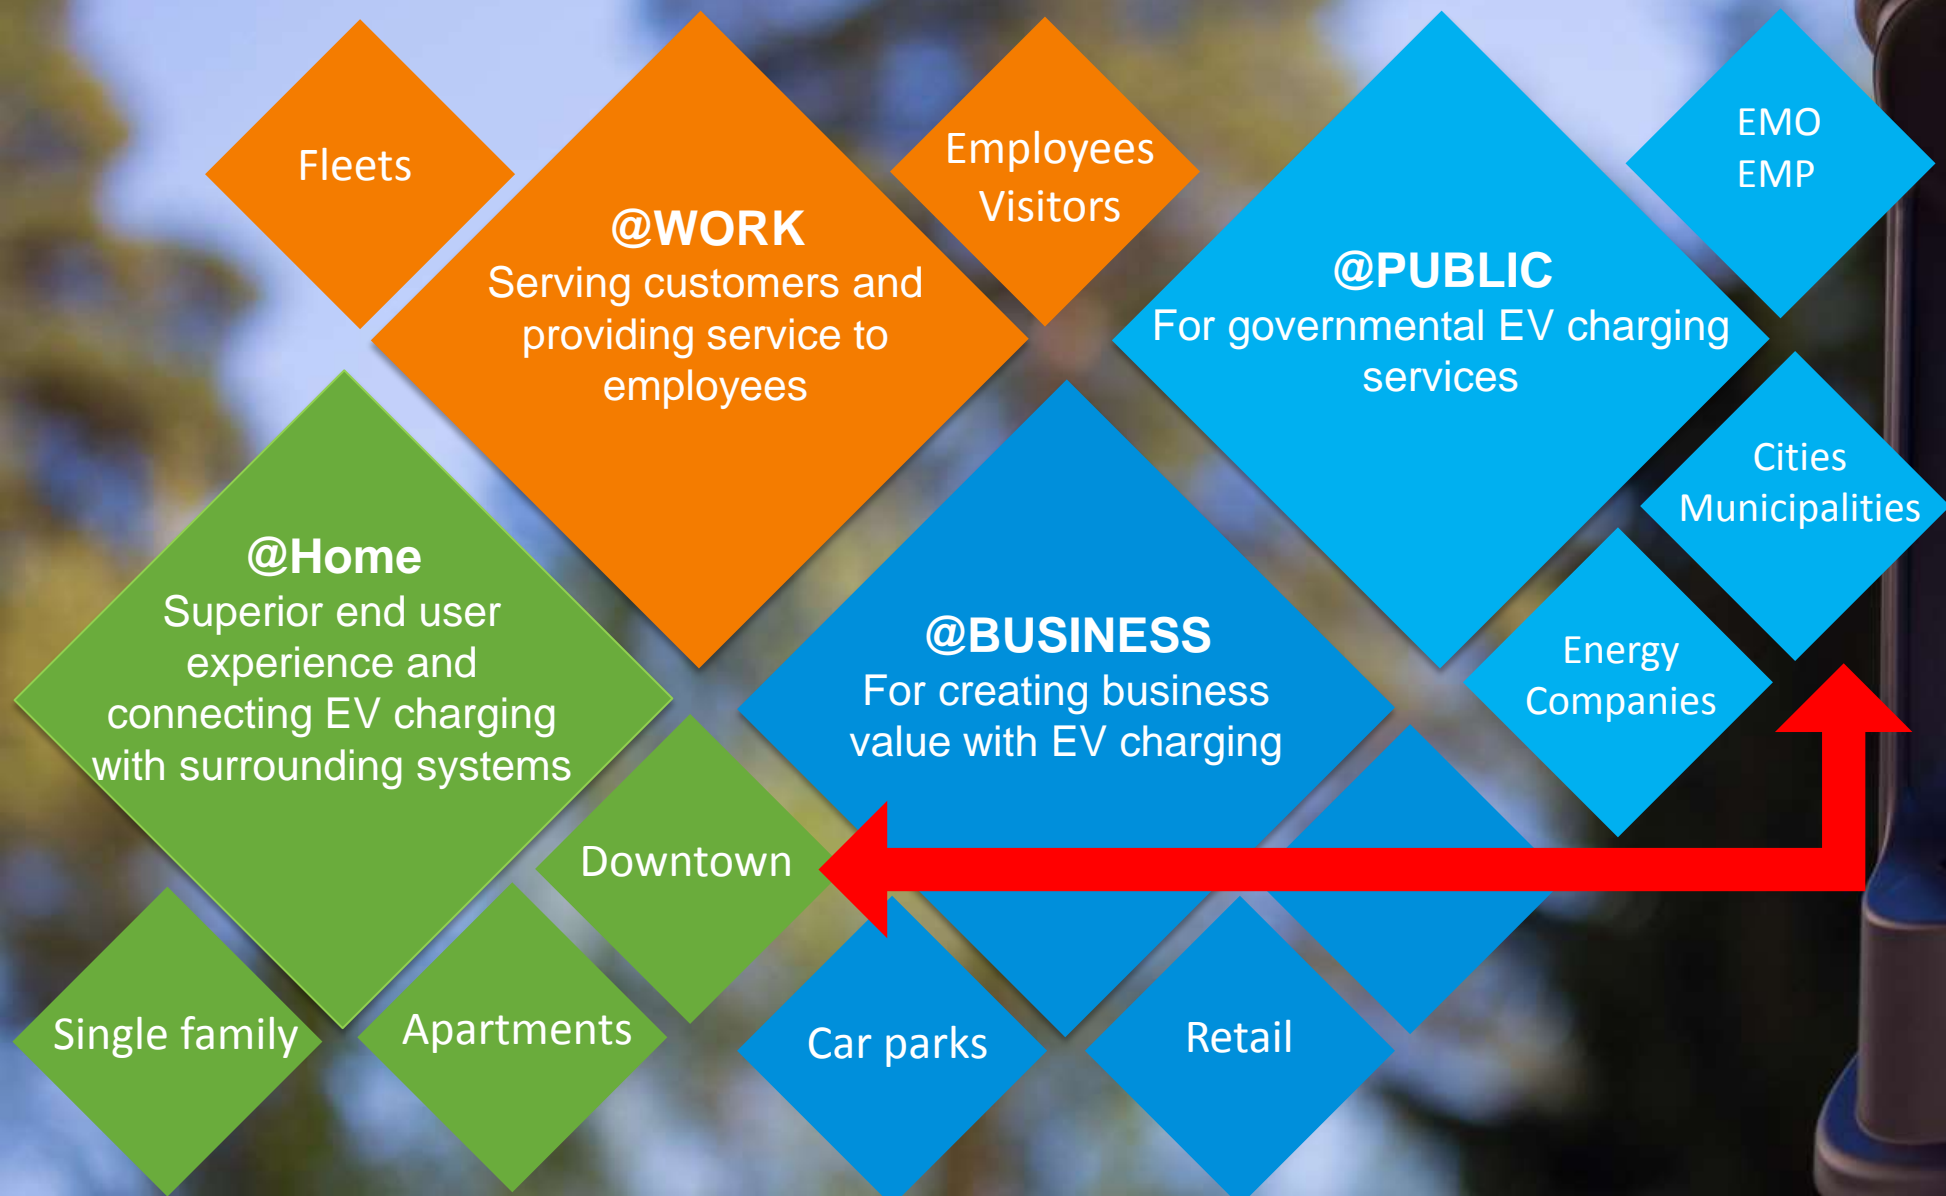

Smart EV charging connects EVs with ecosystems

Ensto EV charging solutions

- › Software services through Ensto EV Cloud
- › Professional services
- › Smart charging stations

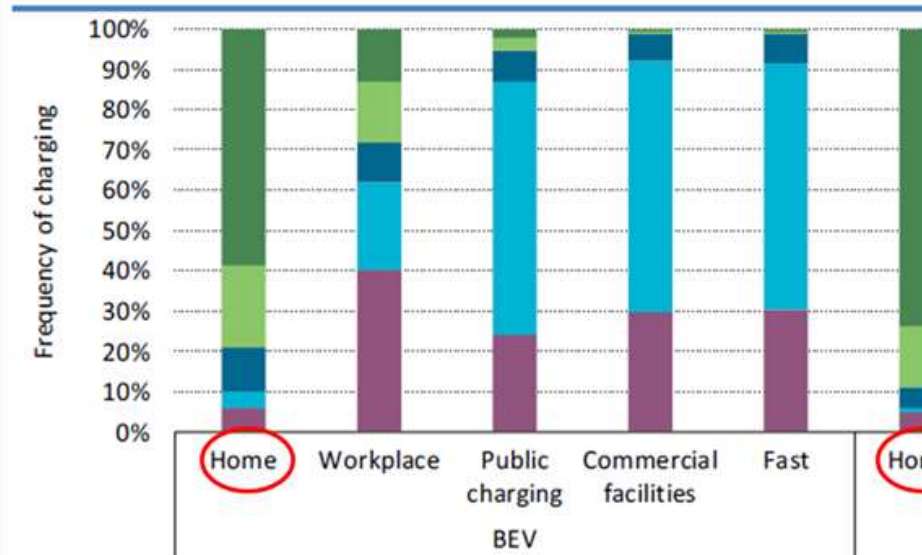

eMobility and Cities

- › Reducing local emissions (NO_x)
- › Reduce noise pollution
- › Introduce new mobility services

Electric vehicles are charged at homes

Charging habits, case Norway

Source: IEA elaboration based on results from Figenbaum and Koll

Lack of home charging possibilities has a direct impact on eMobility penetration

The logo for ENSTO, featuring the word "ENSTO" in a bold, blue, sans-serif font. The background is white with blue geometric shapes: a large blue triangle in the top-left corner, a smaller blue triangle in the bottom-right corner, and a large blue triangle in the bottom-right corner that overlaps the white space. There are also two overlapping blue squares in the top-left corner, one darker than the other.

ENSTO

Better life.
